

TORNepal how it works

TORNepal.com, your one-stop solution for Request for Proposal (RFP) notice publishing and management. Our platform is designed to streamline the procurement process, making it easy for both buyers and providers to connect and collaborate. Here's a quick guide on how TORNepal.com works:

1. Sign Up and Create an Account

To get started, you need to create an account. Simply click the "Sign Up" button at the top of the page and fill in the required details. Once you register, you will receive a verification email. Please verify your account by clicking the link in the email to activate your profile.

2. Browse and Search for RFPs

After logging in, you can browse through a wide range of RFP notices published on our platform. Use our search and filter tools to find RFPs that match your business needs. You can filter by category, location, deadline, and more to find the most relevant opportunities.

3. Publish Your RFP Notice

If you're a buyer looking to publish an RFP, click on the "Publish RFP" button. Fill out the necessary details, such as the project scope, requirements, and deadlines. Our user-friendly form makes it easy to enter all the necessary information to ensure you attract the right providers.

4. Submit a Proposal

If you find an RFP that suits your business, you can submit a proposal directly through the platform. Click on the "Submit Proposal" button on the RFP page and upload your proposal document. Make sure your proposal is detailed and addresses all the requirements outlined in the RFP to increase your chances of selection.

5. Communicate and Collaborate

TORNepal.com offers built-in messaging tools that allow buyers and providers to communicate directly. Use our platform to ask questions, request clarifications, and discuss project details with potential partners. This helps ensure both parties have a clear understanding of the project before proceeding.

6. Evaluate Proposals and Make Selections

As a buyer, once you receive proposals, you can review and evaluate them using our platform's tools. You can compare proposals based on criteria like price, experience, and approach. After thorough evaluation, select the proposal that best meets your needs.

7. Manage Your Projects

Once an RFP is awarded, you can continue to manage the project through TORNepal.com. Use our platform to track progress, communicate with your selected provider, and manage milestones and deliverables. This ensures a smooth workflow and helps keep all project-related information in one place.

8. Provide Feedback and Ratings

After the project is completed, both buyers and providers are encouraged to provide feedback and ratings. This helps maintain a high-quality standard on our platform and assists other users in making informed decisions.

9. Stay Updated

To stay up to date with the latest RFPs and announcements, subscribe to our newsletter or follow us on social media. We regularly update our platform with new opportunities and features to enhance your experience.
